

# Summer Programs for **children & teens** at the Library

## TD Summer Reading Club: Destination Jungle! TD Club de Lecture d'Été: Destination Jungle!

Attention Junior Adventurers! Get your backpack and your compass ready and travel to exotic lands, explore tropical environments and embark on an adventure of discovery of faraway places with this year's TD Summer Reading Club's Destination Jungle! Register for the adventure by visiting your local branch library or simply by logging on to the Library's website at [www.mississauga.ca/library](http://www.mississauga.ca/library) and checking out the Jungle link! Visit the Library to pick up your travel kit, collect prizes along the way and join in on other thrilling escapades. Surf the web, monkey around and share your favourite reads on our on-line Reading Club. The adventure begins this summer on Friday, July 2, 2010 at your local library!

### Drop-In Programs

Storytimes feature stories, songs, and rhymes for children and their caregivers. Programs run at various times for various age groups throughout the summer. All drop-in programs are free, and filled on a first-come, first-served basis. Please be advised that space is limited at all these programs.

### Registered Programs

Registration begins at all locations starting Monday, June 14, 2010 unless otherwise indicated. For professional performances, children under 4 years of age must be accompanied by a paying adult; admission for infants is free. Please note that parents are responsible for their children's supervision at all times in the Library. Where applicable, **PLEASE REGISTER EARLY as space is limited in all programs; registration fees are non-refundable.** Library programs are for everyone - if a participant requires personal support in order to participate, a support person will be admitted to the program at no charge.

### Ready, Set, Read! Reading Workshops

For the third year in a row, the Library partners with the Dufferin-Peel Separate School Board to offer a program designed to promote literacy and reading activities throughout the summer. This free one hour program targets children currently in Grades 1 to 3 and is run by certified teachers. Children will develop their skills using books geared to their individual reading levels. The program begins the week of July 5, 2010 and runs for six weeks. Parents'/caregivers' accompaniment is required. For more information on availability, dates and times contact your local Library.
