## Culture Projects Grant Program Guidelines

Due Date: October 11, 2024 at 4:30pm

### Overview

The 2025 Culture Projects Grant Program supports organizations, collectives and BIAs to create temporary, site-specific arts and culture projects that reimagine and activate urban spaces throughout the City of Mississauga.

Themed “**Animating Urban Spaces,**” the goal of the grant is to support the presentation of art outside of traditional galleries, venues, and presentation spaces. Applicants can be working in any artistic medium (i.e. theatre, dance, music, visual arts, digital arts, Indigenous arts, etc.) and priority will be given to projects whose meaning is intrinsically connected to the space it occupies. The grant encourages artists to explore and integrate art into urban surroundings in creative ways. This can include art and/or performances in outdoor spaces and repurposing buildings/indoor spaces not associated with art to creatively accommodate art. The grant encourages the activation of private, non-residential spaces that otherwise do not host artistic activities.

The City is committed to the long-term growth and sustainability of culture organizations to ensure the delivery of quality programs and services to Mississauga residents. The Culture Projects Grant program aligns with the vision of Mississauga’s Culture Master Plan by supporting activities that reflect the City’s many cultural traditions and artistic practices. Applicants are encouraged to consider how their programs and services incorporate histories, traditions, interests, and art forms from the cultures representative of the lands and peoples of Mississauga.

Applicants can apply for up to \$5000, or 50% of the project cost, whichever is less.

**All applications must be complete and submitted on the [City of Mississauga Grants Portal](#) by Friday October 11, 2024 by 4:30 pm. Late or incomplete applications or applications submitted by any other method will not be accepted.**
