Any Additional Information

Calling Customer Service to report an issue is not the same as filing a claim. All claims need to be submitted in writing to the City and using this form.

Complaints reported to the City, such as 311 or MiWay Customer Service, allows you to report a specific issue. For example, the location of a pothole. The City will create a case for the issue and provide you a reference number. This number allows you to follow up on the case, for example, to see if the pothole has been repaired. This is not filing a claim and is only reporting the issue. Please refer to <https://www.mississauga.ca/contact-us/make-a-complaint/>
