

GENERAL NOTES

- This plan is to be read in conjunction with the following documents:
 - arborist report prepared by Ontree
 - drawing sheet TAPP2
 - drawing sheet TRP
- Ontree provided all information in the Legend, the approximate locations of trees 11, 15, 21-23, 29-37, as well as redlined comments. All other information was provided by others.
- This Tree Assessment & Preservation Plan is overlaid on the drawing "Site Plan", Sheet A-100, dated July 4, 2023, and created by others.
