

**Schedule “H”
Fire & Emergency Services Fees**

Effective Date: January 1, 2025

1. In addition to the defined terms in section 1 of the By-law, in this Schedule “H”:
 - (a) **“emergency system”** includes a sprinkler system, standpipe system, fire extinguishing system, smoke control system, emergency power system, fire pump system, voice communication system or any other device monitored through a fire alarm system;
 - (b) **“Fire & Emergency Services”** means a Division of the Department of Community Services for the Corporation and being a fire department within the meaning of the Fire Protection and Prevention Act 1997, S.O. 1997, c.4, as amended, and is deemed to include any fire department personnel of the Fire & Emergency Services Division;
 - (c) **“fire department personnel”** means Fire Chief, Assistant Chief, Division Chief, Executive Officer and member of Fire & Emergency Services
 - (d) **“firefighting and emergency services”** includes all services related or incidental to the prevention, control and suppression of fires and the protection of lives and property, but excludes the provision of emergency medical and paramedical aid to victims of life-threatening injury or trauma;
 - (e) **“malicious act”** means a wrongful act done intentionally by any person without just cause or excuse;
 - (f) **“member”** means a full-time firefighter, volunteer firefighter and officer of Fire & Emergency Services;
 - (g) **“Joint Fire Communications Centre”** means the operational call centre that receives fire and emergency calls and dispatches fire apparatus and personnel for the City of Brampton’s, City of Mississauga’s and Town of Caledon’s fire stations;
 - (h) **“motor vehicle”** has the same meaning as prescribed in the *Highway Traffic Act*, R.S.O. 1990, c. H.8, as amended;
 - (i) **“non-resident”** means a person who is neither a property owner nor a tenant of property within the City of Mississauga;
 - (j) **“nuisance false alarm”** means the activation of a fire alarm system or emergency system through a mechanical failure, equipment malfunction, improper installation of the system or failure to maintain the system as prescribed by the Fire Code being O. Reg. 213/07, as amended, but does not include the activation of a fire alarm system where the activation occurred as a result of accidental damage to the system.

FIRE ALARMS

2. If Fire & Emergency Services attends at a property in response to a fire alarm and upon conducting an investigation, fire department personnel determine that the alarm is a nuisance false alarm, the property owner shall be charged the fee as stipulated in this Schedule.
3. If a property owner fails to notify the Joint Fire Communication Centre in advance of any work being conducted on a fire alarm system or emergency system at a property, and as a result of the work being done on a fire alarm system or emergency system a false alarm is triggered, the property owner shall be charged the fee as stipulated in this Schedule if Fire & Emergency Services responds to the false alarm.
4. If Fire & Emergency Services responds to a fire alarm and upon conducting an investigation, fire department personnel determine that the alarm is a false alarm occurring as a result of a malicious act, the property owner shall be charged the fee as stipulated in this Schedule.

MOTOR VEHICLE ACCIDENTS

5. If Fire & Emergency Services attends at the scene of a motor vehicle accident on any property within the City of Mississauga and provides firefighting or other emergency services, and if the owner of the motor vehicle is a non-resident, the Corporation shall

Schedule "H"
Fire & Emergency Services Fees

Effective Date: January 1, 2025

charge the fee stipulated in this Schedule to any one or more of the following: the non-resident driver, the owner and the insurance company, in order to recover full payment of the stipulated fee.

6. If Fire & Emergency Services attends at the scene of a motor vehicle fire on any property within the City of Mississauga and provides firefighting or other emergency services, and if the owner of the motor vehicle is a non-resident, the Corporation shall charge the fee stipulated in this Schedule to either or both of the non-resident owner and the insurance company in order to recover full payment of the stipulated fee

NON-EMERGENCY ELEVATOR INCIDENT RESPONSE

7. If Fire & Emergency Services attends at a property in response to a stalled elevator and determines that the confined individual(s) does not have urgent medical needs and is not in immediate danger as a result of the elevator being inoperative, the property owner shall be charged the fee as stipulated in this Schedule.

NATURAL GAS INCIDENT RESPONSE

8. If Fire & Emergency Services attends at a property in response to a natural gas leak, the property owner shall be charged the fee as stipulated in this Schedule.

FIRE EXTINGUISHER TRAINING

9. If Fire & Emergency Services provides fire extinguisher training sessions to a requester, the requester shall be charged the fee as stipulated in this Schedule.

FIRE INSPECTIONS

10. For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this Schedule.

PERMITS AND APPLICATIONS

11. For all fire related permit requests, designated fire route applications and Propane Facility License applications, the requester shall be charged the fee as stipulated in this Schedule.

FIRE REPORTS AND FILE SEARCHES

12. For all fire related file searches, environmental searches and fire report requests, the requester shall be charged the fee as stipulated in this Schedule.

EXTRAORDINARY EXPENSES

13. If Fire & Emergency Services responds to a fire or other emergency at a property and determines, or the Fire Chief or Assistant Chief determines, that it is necessary to retain a private contractor, rent special equipment, or use consumable materials other than water, and medical supplies, in order to suppress or extinguish a fire, preserve property, prevent a fire from spreading, or otherwise control and eliminate an emergency, the property owner shall be charged the expenses incurred by Fire & Emergency Services for retaining a private contractor, renting special equipment and/or using consumable materials, as applicable.
14. If Fire & Emergency Services responds to a request for assistance from a property owner or designate, another agency, a care facility, or at a property that is being used for the manufacture, cultivation, trade or distribution of a controlled substance, as this term is defined in the City's Controlled Substance Manufacture Operations Prevention By-law No. 225-2003, as amended, all of the expenses incurred as a result of the attendance, which include, but are not limited to the costs of vehicles, labour, equipment, materials and administration, shall be charged to the property owner, and all such costs shall be recovered as a fee under this Schedule.
15. If Fire & Emergency Services responds to a fire or other emergency at a property and incurs damage or contamination to equipment such as personal protective equipment, hoses or other non-consumable materials that require cleaning and decontamination or replacement thereof, as a result of the service to suppress or extinguish a fire, preserve property, prevent a fire from spreading, or otherwise control and eliminate an emergency,
