Amendment No. XX

To

Mississauga Official Plan

The following text and schedules attached constitute Official Plan Amendment No. XX.

PURPOSE

The purpose of this Amendment is to permit the future development of three buildings with heights of 13-storeys, 18-storeys, and 22-storeys on the subject lands. The development would contain ground floor commercial uses and a total Floor Space Index (FSI) of 2.91.

LOCATION

The subject lands affected by this Amendment are located at 3403 to 3445 Fieldgate Drive (Fieldgate Plaza) in Ward 3 on Fieldgate Drive, just west of Bloor Street. The subject lands are located within the Applewood Neighbourhood Character Area, as identified in the Mississauga Official Plan.

BASIS

The Mississauga Official Plan came into effect on November 14, 2012, save and except for those policies and land use designations which have been appealed to the Ontario Land Tribunal (formerly known as the “Ontario Municipal Board” and “Local Planning Appeal Tribunal”).

The subject lands are designated “Mixed Use” in the Applewood Neighbourhood Character Area of the Mississauga Official Plan. Properties within a “Neighbourhood” are restricted to four storeys, unless the Character Area dictates otherwise (policy 16.1.1.1). Furthermore, under policies applicable to the Applewood Neighbourhood Character Area, the site is restricted to an FSI of 0.9 times the area of the lot. The proposal of the three (3) buildings of 13-storeys, 18-storeys, and 22-storeys will result in a total site FSI of 2.91.

The proposal is acceptable from a planning standpoint and should be approved for the following reasons:

1. The proposed development is supportive of the policy framework expressed in the Provincial Planning Statement and the Region of Peel Official Plan, which promote a range and mix of housing and the redevelopment of underutilized lands within built up areas that are well served by transit and existing infrastructure.
2. The proposed development is consistent with the Urban System and Land Use Designation policies as it provides for appropriate and context-sensitive density within the Applewood Neighbourhood Character Area.
3. The massing and scale of the proposed built form is compatible with the planned urban character and vision for the East Bloor Corridor.
4. The proposed development provides new housing supply through the intensification of underutilized lands and makes efficient use of available and planned infrastructure and facilities.
5. The proposed development is well served by existing transit service and is in close proximity to the Dixie GO Station, facilitating improved transit connectivity for residential neighbourhoods.

DETAILS OF THE AMENDMENT AND POLICIES RELATIVE THERETO

1. Section 16.2.4, Special Site Policies, Applewood Neighbourhood Character Area of the Mississauga Official Plan, is hereby amended by adding the following:

16.2.4.X *Site X*

16.2.4.X.X *The lands identified as Special Site X are located on the north side of Fieldgate Drive, just west of Bloor Street.*

16.2.4.X.X *Notwithstanding the policies of this Plan, the following additional policies will apply:*

a) Three (3) apartment buildings with maximum heights of 13 storeys, 18 storeys, and 22 storeys plus mechanical penthouse will be permitted; and

b) A total combined FSI of 2.91 will be permitted.

IMPLEMENTATION

Upon the approval of this Amendment by the Council of the Corporation of the City of Mississauga, the Mississauga Official Plan will be amended in accordance with this Amendment.

The subject lands will be rezoned concurrently to implement this Amendment.

This Amendment has been prepared based on the Office Consolidation of the Mississauga Official Plan, dated **XX 2025**.

INTERPRETATION

The provisions of the Mississauga Official Plan, as amended from time to time regarding the interpretation of that Plan, will apply in regard to this Amendment.

This Amendment supplements the intent and policies of the Mississauga Official Plan.
