You have been your child's teacher from the day he or she was born.

You know more about your child than anyone else, and you are in the best position to help your child get ready to read. Whether your child is four days old or four years old, it is not too early or too late to help him or her develop pre-reading skills. You can help your child learn language and other literacy skills with simple and fun activities like those in this calendar.

TWINKLE, TWINKLE, LITTLE STAR

Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle little star

Play the yes-no game! <i>Is the sky purple? Is the cat pink? Is the door closed?</i> 	Ask your child questions that have more than a yes or no answer. <i>What is something fun we did today and what can we do tomorrow?</i>	Make up songs that involve specific actions, like jumping, spinning, or waving. Sing instructions to guide the movements.	Look at a calendar together. Count the number of days until Valentine's Day. Draw a heart around February 14.	Pick a book to read together. Stop reading before the end and ask your child, "What do you think will happen?"	Let your child scribble and draw. Encourage them to "sign" their name on the drawing.	Go on a scavenger hunt. Look for things that are red like stop signs, blankets, shirts, socks, and Valentine's Day decorations.	
9 TALKING	10 SINGING	11 COUNTING	12 READING	13 WRITING	14 PLAYING	15 TALKING	
Sit on the floor and imagine you are going to the moon in a rocket ship. What do you see? <i>There goes a house, there go the clouds, there's the moon!</i>	Say or sing "Zoom Zoom Zoom" together. <i>(Words are on the back. ➡)</i>	Count your steps today. From the bedroom to the kitchen. From the front door to the corner and then from there all the way back home.	Pick a letter of the day. Look for it everywhere today: on license plates, at the grocery store, and in books you are reading together.	Sing the "Alphabet Song" slowly and write the letters in the air with your finger as you sing. <i>(Words are on the back. ➡)</i>	Happy Valentine's Day! Play musical hearts. Place numbered paper hearts on the floor. Call out numbers for your child to run to.	Talk about your family's plans for today. What is your child excited to do or see?

Sing or Say "The More We Get Together." <i>(Words are on the back. ➡)</i> 	Recite the rhyme, "One, Two, Buckle My Shoe." <i>(Words are on the back. ➡)</i> 	Look at the covers of books before reading them. Talk about what the books might be about.	Trace shapes and letters in a shallow tray of flour, salt, or baking soda. 	Make a tent out of blankets and pretend to be camping in the forest. Draw maps and use them to take hikes around your house.	Introduce a new word to describe how you feel. Say "I am delighted" rather than "I am happy."	Sing a favorite song together. Change the words to make it silly or to incorporate your child's name.	
23 COUNTING	24 READING	25 WRITING	26 PLAYING	27 TALKING	28 SINGING		
Play store. Set up a little store with items in your house and take turns being the shopper and the checkout clerk.	Point out signs everywhere today. Explain what they say and how they help. 	Make a chart of family preferences. List family member names and their favorite colors, flavors of ice cream, fruit, etc.	Use masking tape to make lines or shapes on the floor. Walk along the tape like a pretend balance beam.	Talk about concepts like "on" and "off" when you put on and take off hats and jackets.	Make music with things you have in the house—pots, pans, spoons—and sing and dance to the music you make.		

How we read to children is as important as how often we read to them.

No matter what your child's age, reading together with your child—or shared reading—is the single most important activity that you can do to help your child get ready to read. Engage your child in back and forth conversations about the books you read. Children learn more words when they have the opportunity to respond to questions. If English is not your first language, speak to your child in the language you know best. This allows you to explain things to your child more fluently.

ZOOM, ZOOM, ZOOM

Zoom Zoom Zoom,
We're going to the moon,
(point to the sky)

Zoom Zoom Zoom,
We're leaving very soon,
If you want to take a trip,
Climb aboard my rocket ship,

Playing to learn new words.

Play is one of the best ways for children to learn language and literacy skills. Play helps children feel a sense of accomplishment and self-confidence. This motivates them to try new experiences and not to give up when something seems difficult. Also, it's fun!

FIVE LITTLE FROGGIES

Five little froggies sat on a shore.
(Crouch like a frog)

One went for a swim, then there were four.
(Pretend to leap and swim off)

Four little froggies
(Crouch like a frog)

Looked out to sea.
(Put your hand at brow and look out to sea)

One went swimming, and then there were three.
(Pretend to leap and swim off)

Three little froggies said, "What can we do?"

One jumped in the water, then there were two.
(Pretend to leap and swim off)

Two little froggies sat in the sun.
(Crouch like a frog)

One swam off, and then there was one.
(Pretend to leap and swim off)

One little froggie said "This is no fun!"

He dived in the water, and then there were none!

HERE IS THE BEEHIVE

Here is the beehive. *(Make a fist)*

Where are the bees?

Hiding inside where nobody sees.

Watch them come creeping out of the hive,

One, two, three, four, five *(Release one finger at a time from the fist/hive)*

BUZZ-ZZZ *(Wiggle fingers)*

THE HOKEY POKEY

You put your right foot in

You take your right foot out.

You put your right foot in

And you shake it all about.

You do the hokey pokey

And you turn yourself around.

That's what it's all about.

Talking is one of the best ways for children to learn new words.

Speak to your child often during the day and try to use many different words to express your ideas. Children love to imitate, and they will try to imitate your speech. Chances to chat include while you are getting dressed in the morning, eating breakfast, riding in the car, walking from the car to a store, playing together, doing chores, taking a bath, going to bed, and while saying goodnight. Ask lots of open-ended questions, those that require more than a yes or no answer.

- Crayons or Markers
- Small paper bags, like lunch bags
- Yarn or ribbon
- Glue stick

Good readers have a large vocabulary.

Knowing lots of words helps children better understand what they read. You can help your children learn lots of words by:

- Having plenty of conversations. Take turns talking. It is important for you to ask questions and listen to what your children say in response.
- Read together! A lot!
- Make connections. Connect what you are reading in books to their lives. "Yes, Grandma has a black cat, too."
- Repetition. Children often love to read the same book over and over. This is a good thing as repeated readings help build vocabulary.

ANTS GO MARCHING

The ants go marching one by one, hurrah, hurrah.

One way children learn vocabulary is from listening to stories.

They listen to understand what is being said, which helps them learn new words. Stories aren't just found in books. You can tell stories about your day, your memories from growing up, or something about your child's life. You can also use wordless picture books and make up a story together. With wordless books, you can develop imagination along with language and vocabulary skills. Make it fun! Having fun with words helps your child become more aware of words and eager to learn more.

You are your child's first teacher, and your home is where your child begins to learn.

Make your home a great place to learn. It doesn't take money to create special places where you and your child can talk, sing, read, write, play, and count. Here are a few ideas.

PLACES TO READ

Create a special space for your children to look at books. Have a comfortable chair or pillows and a small shelf or basket for favorite books. Make sure there's room for you and your child to sit together and that your child can reach books without needing help.

PLACES TO WRITE

Make it easy for your child to write throughout the day. Set up a space where your child can go on his or her own and use writing materials. Provide pencils, crayons, or markers of different sizes so your child can write with what is most comfortable. Use unlined paper.

PLACES TO PLAY

Play requires a little space, simple props, and some imagination and encouragement. You don't need special toys or expensive electronics. Provide props like large boxes, old clothes or costumes for dress up, empty food containers, and empty paper towel rolls. Play comes naturally to young children and is one of the primary ways they learn. Provide plenty of opportunities for your child to play.

Mary had a little lamb,
Its fleece was white as snow,
And everywhere that Mary went
The lamb was sure to go;
It followed her to school one day
Which was against the rules,
It made the children laugh and play
To see a lamb in school.

Children's reading success in kindergarten and beyond begins with positive language and literacy experiences from the time they are infants.

- Young children have shorter attention spans. You can do activities for short bits of time throughout the day or whenever you have the chance.
- You can help your children learn in ways and at times that are best for them.
- Children learn best by doing—and they love doing things with YOU!

THE ITSY BITSY SPIDER

The itsy bitsy spider went up the water spout.

(Move fingers up toward sky)

Down came the rain and washed the spider out.

(Bring fingers down and back)

Out came the sun and dried up all the rain

(Move arms up over head)

And the itsy bitsy spider climbed up the spout again.

(Move fingers up toward sky)

REPEAT WITH "GREAT BIG SPIDER" USING A GRUFF, DEEP VOICE.

IF I WERE A BIRD

If I were a bird, I'd sing a song

And fly about the whole day long.

And when the night comes, go to rest,

Up in my cozy little nest.

SCARECROW, SCARECROW Sing to the tune of "Twinkle, Twinkle, Little Star"

Scarecrow, scarecrow, turn around,

Scarecrow, scarecrow, touch the ground.

Stand up tall and blink your eyes.

Raise your hands up to the sky.

Scarecrow, scarecrow, touch your toes.

Scarecrow, scarecrow, tap your nose.

Swing your arms so very slow,

Now real fast to scare the crows.

Raise your head, jump up and down.

Now sit down without a sound.

30 READING							
Read a book about winter.							

Listening to nursery rhymes and songs is an early literacy experience that helps children understand how language and stories work.

Recite rhymes and sing songs with children from the time they are infants. This helps them become aware of and then play with the sounds in the words. Many rhymes tell a story with a beginning, middle, and end. This shows children how stories work and that events happen in a sequence. Good readers understand that stories and books have a beginning, middle, and end. After reciting a rhyme or singing a song ask your child about the song. What happened at the beginning? What happened at the end?

TWINKLE, TWINKLE, LITTLE STAR

Twinkle, twinkle, little star

How I wonder what you are

Up above the world so high

Like a diamond in the sky

Twinkle, twinkle little star

How I wonder what you are

STAR LIGHT, STAR BRIGHT

Star light, star bright,

The first star I see tonight;

I wish I may, I wish I might,

Have the wish I wish tonight.

The three little kittens, they lost their mittens,
And they began to cry,
"Oh, mother dear, we sadly fear,
That we have lost our mittens."
"You lost your mittens?
You poor little kittens.
You poor little kittens.
Well, let us have some pie.
Meow, Meow, Meow
Let us have some pie."
